

ZEUS ANGELO BAUTISTA

Bulihan, Silang, Cavite | +63 976 604 0237 | bautistaangelozeus17@gmail.com | linkedin.com/in/zeus-angelo-bautista/ | github.com/kidlatpogi

EDUCATION

NATIONAL UNIVERSITY – DASMARIÑAS

BS INFORMATION TECHNOLOGY

Major in Mobile and Web Application

Consistent Dean's Lister

Relevant Coursework: Data Structures & Algorithms, Software Engineering, Operating Systems, Database Systems, Web & Mobile Development

DASMARIÑAS

2023 - Present

WORK EXPERIENCE

IT Helper (Freelance)

SILANG, CAVITE

Dec 2024 – Jan 2025

- Digitalized Silang population birth records by converting written data into a searchable digital format.
- Integrated record systems into the department's database to streamline retrieval processes.

IT Helper | Registrar Assistant (OJT)

SILANG, CAVITE

Apr 2023 – May 2023

- Digitalized student records into searchable files and integrated the data into the Registrar's office cloud storage for efficient retrieval.

PROJECTS

BIGKAS CAPSTONE (Web App) 2025

2026

- Built an AI-powered public speaking simulator that analyzes user performance to enhance confidence and delivery
- Integrated Librosa for audio frequency analysis and MediaPipe to track facial pacing and expressions in real-time

L.I.N.N.Y (AI Assistant)

2025

- Engineered a voice-activated neural assistant integrating Python and Generative AI for real-time task management
- Seamlessly connected to Tapo smart devices via Kasa integration to automate and manage home electronics

SAFELINK MOBILE (Mobile App)

2025

- Developed a cross-platform React Native/Expo disaster preparedness app enabling family emergency notifications
- Integrated Firebase database and OpenStreetMap tracking for real-time local updates and evacuation routing

CALENDAR WIDGET (Desktop App)

2025

- Designed offline data storage to load schedules instantly and operate without active internet connection
- Built a lightweight Windows calendar widget using Electron and JavaScript to sync Google Calendar events
